**PETITION FOR CORRECTION OF FILING DATE
UNDER 37 CFR §1.10(d)**

**Mail Stop
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450**

Dear Sir:

Applicants submit that the presently accorded filing date of September 9, 2003, is incorrect. Therefore, pursuant to 37 CFR § 1.10(d), applicants hereby petition the Commissioner for Patents to correct the accorded filing date of the above-identified application to reflect the actual filing date of September 10, 2003.

Applicants submit that this Petition is being filed in compliance with 37 CFR § 1.10(d)(1). A marked copy (indicating the erroneous filing date) of the Official Filing Receipt is attached hereto as Exhibit A.

Applicants also submit that the Express Mail No. EV139569515US was placed on the Express Mail Certificates accompanying the above-identified application and its Transmittal Letter, which satisfies the requirements under 37 CFR § 1.10(d)(2). A copy of the Transmittal Letter is attached hereto as Exhibit B. Copies of all Express Mail Certificates filed with the present application are attached as Exhibit C.

As identified in the Transmittal Letter, accompanying the application (37 pages) and Transmittal Letter were: (a) preliminary amendment (7 pages); (b) newly executed combined Declaration and Power of Attorney (3 pages); (c) information disclosure statement (1 page) and copies of references; (d) assignment and recordation form cover sheet(3 pages); (e) certified copy of priority document; (f) a pre-paid return receipt postcard; (g) two checks in the amounts of \$750.00 and \$40.00 (see Exhibit B). An Express Mail Certificate signed by Shawn A. Lockett accompanied

each of the following: the Transmittal Letter; the Fee Transmittal for FY2003; the preliminary amendment; the application and the signed Combined Declaration and Power of Attorney form; the information disclosure statement and references; the recordation form cover sheet and assignment; and the certified copy of foreign priority document.

Each of these materials was placed into the Express Mail package bearing Express Mail No. EV139569515US, and the sealed Express Mail package was delivered by Mr. Lockett to a representative of the U.S. Postal Service ("USPS") at the U.S. Post Office, Midtown Plaza Station, Rochester, New York 14604 on September 10, 2003. An Express Mail receipt was provided to Mr. Lockett by the representative of the USPS and this receipt was placed in the appropriate Nixon Peabody file, bearing docket number 20959/2090, by a docketing clerk (attached as Exhibit D).

In compliance with 37 CFR § 1.10(d)(3), applicants present herewith the Express Mail receipt returned to applicants' representatives following deposit of the Express Mail package bearing Express Mail No. EV139569515US with the USPS. The Express Mail receipt also bears Express Mail No. EV139569515US (upper left corner) and the attorney docket number 20959/2090 (P62661) (in the lower left). This is the same docket number present on the Transmittal Letter and the Express Mail Certificates (compare Exhibits B, C, and D). The Express Mail receipt bears a hand-stamp date of September 10, 2003 whereas the "date in" box is incorrectly hand written as "9/9/03". A copy of a Track & Confirm page from the USPS website for Express Mail No. EV139569515US (attached as Exhibit E) shows the acceptance of the above-identified Express Mail package on September 10, 2003, at 4:56 p.m. in Rochester, New York 14604. Applicants submit that this documentation conclusively indicates the mail date of September 10, 2003 as the correct filing date, satisfying the requirements under 37 CFR § 1.10(d)(3).

Although applicants believe that no fee is due upon consideration of this Petition, the Commissioner is authorized to charge any necessary fees to our Deposit Account No. 14-1138.

In view of all of the foregoing in satisfaction of the requirements under 37 CFR § 1.10(d), applicants respectfully request that the accorded filing date be corrected to read September 10, 2003 and that the U.S. Patent and Trademark Office mail a corrected filing receipt to applicants' representative.

Date: 12/12/03
Nixon Peabody LLP
Clinton Square, P.O. Box 31051
Rochester, New York 14603

Date Mailed: 12/02/2003

Receipt is acknowledged of this regular Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. If an error is noted on this Filing Receipt, please write to the Office of Initial Patent Examination's Filing Receipt Corrections, facsimile number 703-746-9195. Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the USPTO processes the reply to the Notice, the USPTO will generate another Filing Receipt incorporating the requested corrections (if appropriate).

Title

Polymerizable bicyclic cyclopropane derivatives and their use for the preparation of dental materials

Preliminary Class

544

**LICENSE FOR FOREIGN FILING UNDER
Title 35, United States Code, Section 184
Title 37, Code of Federal Regulations, 5.11 & 5.15**

GRANTED

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The date indicated is the effective date of the license, unless an earlier license of similar scope has been granted under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related applications(s) filed under 37 CFR 1.53(d). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

NOT GRANTED

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 5.12, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15(b).
